

## “We’ve Been There...”

Since 2007 TAC\*ONE Consulting has held numerous active shooter training courses to prepare school districts and law enforcement throughout the United States to effectively respond to an active shooter situation. Over the years word of mouth has spread, allowing us to continue to expand and enhance our programs.

*Rapid Response to the  
Active Shooter*

# “Lone Wolf” Single / Two Officer Active Shooter Response

“Lone Wolf” an aggressive training course designed to prepare officers to effectively respond alone, and in pairs to an active shooter.

The “Lone Wolf” will cover the theories behind life preservation and the one/two officer response to an active shooter. Our Simunition®-based scenarios will teach students how to apply those theories correctly. Training will emphasize successfully engaging the threat, and how to stop the loss of life.

### **During this 10 hour course of instruction attendees will learn to:**

- Identify current active shooter trends
- Confront the shooter alone if needed
- Communicate and move in pairs if cover officer is present
- Target identification
- Use of force considerations

At the end of this program students will have the knowledge, mindset, and skills necessary to aggressively and safely respond to an active shooter situation alone or in pairs.
