*Rapid Response to the  
Active Shooter*

# 50 HR TEMS School

## “Good Medicine in Bad Places”

This Tactical Medic course is instructed by highly trained professionals who are current TEMS providers, Special Forces Medics, Swat Medics and Emergency Medicine Instructors, bring years of experience to the table.

During the five day course you will be tested mentally and physically on the combat medical skills and tactics.

### Major areas of emphasis during this 50 hour course of instruction are:

- Pre Planning
- Operator Health
- Remote Assessments
- Tourniquets
- Bleeding Control
- Basic Combat Medicine
- Basic Room Entry / SWAT Tactics
- Mass Casualty / Triaging in the “Warm Zone” for unarmed personnel
- We will also incorporate live fire & Simunition® exercises for armed attendees

This course is continually updated with the latest medical training and methods in tactical pre hospital care and with the focus of (PHTLS) Pre Hospital Trauma Life Support and medical treatment under fire.

# 50 HR TEMS School

Does your tactical team have four snipers but no CERTIFIED tactical medics? Someone who can render aid during every mission, train patrol for various officer down & mass casualty situations? See any liability issues?

Tactical Medics can help your agency bridge the gap between Law Enforcement and EMS. This is crucial as our officers keep getting fired upon and mass shootings are becoming increasing prevalent.

Let TAC\*ONE Consulting help in your efforts to truly prepare your team and agency to better serve your community when the stakes are high and lives depend on your staff!

This course will give you the training needed to provide quality tactical medical support to law enforcement agencies enabling you to bring good medicine to bad places.

This course is accredited by various state P.O.S.T., NMDPS and NMEMSB for 8 CE's and the national tactical medic association

**Bill Lovelace:**  
**NREMT-P/TCCC/WPS-PSS**

William is a personal security detail medic operator and educator. He has worked in EMS since 2008, 3 of those years spent in tactical and austere environments around the country and world. Prior to his time in EMS, William served in the US Marine Corps as an infantry Marine. William currently operates for a major private security company and teaches various levels of tactical medicine in his off time to counter terrorism units.

**Brian Jackson:**  
**NREMT-P/NAEMT-TCCC**

Former Pararescueman or "PJ". He received his training through the US Army's JFK Special Warfare Center. Brian deployed over a dozen times to Iraq, Afghanistan and South America. Since his separation from the military, Jackson has continued to teach, train, and evaluate thousands of military combat medics (Rangers, SF, PJs, SEALs, Corpsman), civilian medics, firefighters, law enforcement personnel, other foreign nationals. Brian works for a major metropolitan police department in Las Vegas, NV.

**Simon Edwards:**  
**Special Forces Medic/ PA-C**

Simon Edwards is a Physician Assistant employed for the last 18 years in one of Colorado's busiest Emergency Departments. His introduction to Tactical Medicine came when he attended the US Army's Special Forces Medical course (18D), graduating in 1986. He served 22 years with 19<sup>th</sup> Special Forces Group during which time he deployed repeatedly as the senior medical sergeant on his team throughout Asia, Central America, Haiti, and Afghanistan.

**Jason Roosa:**  
**MD,MS**

Dr. Roosa is board certified in Emergency Medicine and Fellowship Trained in EMS. He currently works as an ER Doctor and EMS Medical Director at Level II and III trauma centers in the Denver area. He attended medical school at the University of Colorado and trained in Emergency Medicine and EMS at Maricopa Medical Center, the county hospital and Level I Trauma Center serving Phoenix, AZ. As part of his sub-specialization in EMS, Dr. Roosa has worked with TEMS providers and SWAT teams addressing educational needs to provide appropriate medical care in the tactical environment.

This class is being hosted by Life EMS on August 31<sup>st</sup>-September 4<sup>th</sup>, 2015. The class will be held at 1275 Cedar St. NE, Grand Rapids, MI 49503.

Cost for this class is \$1,100.00.
