

“We’ve Been There...”

Since 2007 TAC*ONE Consulting has conducted training programs nationwide for local, state and federal law enforcement. In 2010 we set out to provide advanced training for individuals interested in “real world” personal protection training. All of our civilian programs are designed with the same warrior mindset we have instilled within thousands of law enforcement officers over the years.

Advanced Concealed Carry / Personal Protection

Take the next step for a well rounded personal protection plan. One that is designed to enhance the concealed handgun permit holders ability to effectively defend themselves or others in various environments and situations. This seminar will include three blocks of instruction; CCW combatives, offensive knife options, close quarters handgun with reality based “force on force” scenarios.

Topics Covered in this 6 HR Advanced Concealed Carry / Personal Protection Course:

- Use of deadly force refresher
- Close Quarters Combatives for the CHP holder
- Weapon Takeaways
- Weapon Retention
- Offensive Knife Options
- Close Quarters Handgun

Course will finish up with culminating reality based “force on force” scenarios designed to tie everything together and test the students skills under elevated stress levels.

Advanced Concealed Carry / Personal Protection
