"We've Been There..."

Dear Student:

Thank you for registering for TAC\*ONE Consulting's 6 Hour Advanced Concealed Carry Course on February 24<sup>th</sup>, 2018. We are looking forward to meeting and sharing our knowledge with you. You made the right decision to trust your personal protection training to TAC\*ONE Consulting. You will not find another course like ours period.

Class will begin promptly at 10:00 am at TAC\*ONE Consulting located 5770 Clarkson St. Unit E Denver, CO. 80216. We will take a quick 20 min break half way through to allow students to grab a snack from the various fast food places nearby if they would like to do so. Feel free to bring food items as well.

Firearms are not needed. We will provide with special law enforcement grade training firearms to use throughout the class.

It is recommended you bring a long sleeve sweatshirt, eye protection (sunglasses will work) and gloves for the force on force practical scenario portions. It's a blast you will love it!

If you have any questions or have trouble locating the building please don't hesitate to call me.
